

TP ICAP appoints Iain Plunkett as Chief Operating Officer

20/01/2017

London:

TP ICAP, a global firm of professional intermediaries and the world's largest interdealer broker, today announces that it has appointed Iain Plunkett to the role of Chief Operating Officer ("COO"). Iain will also be a member of TP ICAP's Global Executive Committee.

Since September 2015, Iain has been COO at Aberdeen Asset Management, having joined from Barclays where he was Head of Operations and Technology Transformation and Head of Global Enterprise Architecture. Prior to this he spent over 15 years in a number of roles at UBS, where his final position was as Chief Information Officer ("CIO") for the Global Investment Bank and Corporate Centre, directly reporting to both the CEO of the Investment Bank and the Group COO.

Iain will join TP ICAP in the second quarter 2017.

Commenting on Iain's appointment, John Phizackerley, Chief Executive of TP ICAP, said:

"I am delighted to welcome Iain to TP ICAP as Chief Operating Officer. His experience in capital markets, and particularly in change and transformation projects, make him ideally suited to join our team. He will be integral to executing our integration programme over the next three years, and we are looking forward to working with him."
