

HENRY ANN APPOINTED TO HEAD TULLETT PREBON INFORMATION

London – 3rd April, 2006 – Tullett Prebon Information, a leading provider of money markets, interest rate derivatives and fixed income price information from the inter-dealer market, today announced the appointment of Henry Ann, to lead its market data business.

Henry Ann, already a member of Tullett Prebon's global executive committee and Head of New Business, will uphold his existing remit and continue to report to Lou Scotto, Chief Executive Officer of Tullett Prebon. Henry Ann's new responsibilities include driving strategic global and regional product initiatives.

He brings over 27-years of industry experience to this role, starting his career with Charles Fulton in London in 1979. Prior to his appointment, to Head of Tullett Prebon Information, Henry Ann held the role of Senior Managing Director of Tullett Liberty Inc. and as a member of the regional executive committee had responsibility for Canada, the Tullett minority interests in Natsource LLC, Lopez Leon in South America, and from 2004 for foreign exchange in New York and energy.

Previously, he held a variety of senior management positions in the Collins Stewart Tullett group. These included postings in the Middle East and Canada with responsibilities for all fixed income, money market and foreign exchange business. Lou Scotto, CEO of Tullett Prebon said, "Henry has been a long standing contributor to our business and his transition to Head of Tullett Prebon Information is a logical step in our continued growth. We are confident that Henry will help us to continue to deliver trustworthy and transparent data to the global financial services industry. His industry expertise will play a critical strategic role in shaping the future direction of Tullett Prebon Information."

Henry Ann, Head of Tullett Prebon Information added, "With the accelerated globalization of the financial markets and increased regulatory and market pressures, financial institutions are demanding data transparency from their providers. Users are looking for access to independent, accurate market data that can be delivered in a format that is easy to apply to their business needs. I am eager for Tullett Prebon Information to continue to provide its customers with accessible, reliable products and services, maintaining the Tullett Prebon Information brand as a recognised source of excellence."

Tullett Prebon Information data products include; SwapMarker[®], SwapMarker[®] Plus, Mark2Marker, MoneyMarker[®], MortgageMarker[®] and TreasuryMarker[®] providing users with independent and accurate price information.
