

TP ICAP's John Phizackerley named Chief Executive of the Year by FOW Magazine

London, 7 December 2017: TP ICAP, the world's largest interdealer broker, is today pleased to announce that its Group Chief Executive, John Phizackerley, has been named Chief Executive of the Year by FOW Magazine at their International Awards.

The win for John, known to his colleagues as Phiz, came at an awards ceremony held in London last night. It capped off a successful night for TP ICAP as Tullett Prebon was named Interdealer Broker of the Year.

John Phizackerley, Chief Executive, TP ICAP said: "I am truly honoured to have been chosen as FOW's CEO of the Year. There are many CEOs in our industry who are deserving of this title, so to win is a great accolade. It has to be said, that I didn't win this award by myself – I am supported by fantastic colleagues across the TP ICAP business. We are all focussed on delivering the best we can for our clients, and winning this award is the icing on the cake!"

TP ICAP was created after Tullett Prebon completed the acquisition of ICAP's Global Broking Business in December 2016.
