4 April 2023

Dear shareholder,

On behalf of the Board I am pleased to invite you to attend the Annual General Meeting (or 'AGM') of TP ICAP Group plc (the 'Company'), which will be held in person this year. We are delighted to be holding a physical general meeting and meet shareholders again. The AGM will be held at the offices of Allen & Overy LLP, One Bishops Square, London, E1 6AD on Wednesday 17 May 2023 at 2.15pm (BST).

Notice of AGM

The formal Notice of AGM is set out on the following pages of this document, detailing the resolutions that the shareholders are being asked to vote on along with explanatory notes of the business to be conducted at the AGM. The views of our shareholders are important to us and the AGM offers a valuable opportunity for shareholders to communicate with the Directors and ask questions on the business of the meeting. We welcome your participation.

If you are unable to attend the AGM in person we urge you to submit your voting instructions in advance of the meeting by appointing a proxy. You are encouraged to appoint the Chair of the AGM as your proxy to exercise all or any of your rights to attend, vote and speak at the AGM. Information about how and when to submit your proxy instructions can be found overleaf and on page 9.

2023 AGM arrangements

The health and safety of all stakeholders, including shareholders, employees, clients and others, is of paramount importance to us. Our AGM arrangements will align to any UK Government guidance and/or requirements in place at the time of the meeting, with health and safety as a priority. All shareholders attending the AGM will be required to observe the safety and good hygiene measures in place, including those that are legally required at the time of the meeting. In the event that we need to adapt our AGM arrangements at short notice, we will endeavour to advise you as soon as possible before the meeting, including through the Group's website www.tpicap.com and, for those who have elected for electronic communications, by email.

Dividend

Shareholders are reminded that TP ICAP Group plc declared an interim dividend of 4.5p per share paid on 4 November 2022. The Board is recommending a final dividend of 7.9p for each ordinary share held in TP ICAP Group plc and this requires shareholder approval before it can be paid. This final dividend recommendation is in line with our distribution policy announced to the market in October 2020.

Report of the Remuneration Committee

The Remuneration Committee of the Board is seeking shareholders' approval of the Report of the Remuneration Committee (excluding the excerpts from the Directors' Remuneration Policy set out within the Report of the Remuneration Report on pages 121 to 123) for the year ended 31 December 2022 (the 'Remuneration Committee Report'). The Remuneration Committee Report includes an annual report detailing the remuneration of the Directors and a statement by the Chair of the Remuneration Committee. The Company will seek shareholder's approval on the contents of the Remuneration Committee Report (as defined above) on an annual basis. The vote is an advisory one and the Directors' entitlement to remuneration is not conditional on it.

Following the approval of the Directors' Remuneration Policy at the 2022 AGM, we are not presenting a new or revised Directors' Remuneration Policy to a shareholder vote at the 2023 AGM. The full Directors' Remuneration Policy can be found on pages 127 to 134 of the 2021 Annual Report, which is available to view on the Company's website. It is anticipated that the Directors' Remuneration Policy will remain in force until 2025 although we will closely monitor regulatory changes and market trends and, if necessary, we may present a revised policy before the conclusion of that three-year period.

Re-election of Directors

Each of the Directors of the Company will seek re-election as a Director at the AGM, in accordance with the UK Corporate Governance Code. The Nominations & Governance Committee has carefully considered the combination of knowledge, skills, diversity, experience and background of the members of the Board and considers that this mix remains appropriate to respond to the challenges presented to it, and to promote TP ICAP's future long-term sustainable success. The composition and size of the Board remains under review by the Committee who will make recommendations as necessary.

The Nominations & Governance Committee has also reviewed each individual's independence and commitment of time to the Company in light of their other commitments. The Committee has concluded that the Directors have sufficient time to commit to their roles and are not considered overboarded. Each of the seven Non-executive Directors continue to be considered independent and the Board Chair was deemed independent on appointment. The Board is pleased to recommend all Directors who are seeking election at the AGM in 2023, and their full biographies can be found in Appendix 1 to this Notice of AGM on pages 11 to 15.

If your shares are held in CREST, you may, if preferred, give instructions electronically via CREST as detailed in the notes to the Notice of AGM on page 10. To be valid, proxy appointments must be lodged with the Company's Registrar by not later than 2.15pm (BST) on Monday 15 May 2023. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io.

Appointing a proxy will not prevent you from attending and voting at the AGM if you wish. If I as Chair of the AGM am appointed as proxy I will, of course, vote in accordance with any instructions given to me. If I am given discretion as to how to vote, I will vote in favour of each of the resolutions to be proposed at the AGM as recommended by the Directors.

Documents available on the website

This Notice of AGM and the Annual Report and Accounts for the year ended 31 December 2022 are published on our website www.tpicap.com.

Recommendation

The Directors believe that the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the resolutions to be proposed at the AGM. The Directors who own ordinary shares intend to vote in favour of the resolutions to be proposed at the AGM.

Yours faithfully

Richard Berliand

Explanatory Notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed Resolutions. Resolutions 1 to 18 are proposed as ordinary resolutions. For each of these Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolutions 19 to 23 are proposed as special resolutions. For each of these Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

Resolution 1: TP ICAP Group plc Annual Report and Accounts

The first item of business is the receipt by the shareholders on an advisory basis of the Annual Report and Accounts of TP ICAP Group plc for the year ended 31 December 2022 (the '2022 Annual Report and Accounts'). The Directors' Report, the accounts and the report of the Company's auditors on the accounts and on those parts of the Directors' Remuneration Report that are capable of being audited are contained within the 2022 Annual Report and Accounts.

Resolution 2: Report of the Remuneration Committee

The Remuneration Committee of the Board is seeking shareholders' approval of the Report of the Remuneration Committee (excluding the excerpts from the Directors' Remuneration Policy set out within the Report of the Remuneration Report on pages 121 to 123) for the year ended 31 December 2022 (the 'Remuneration Committee Report'), which will be proposed as an ordinary resolution.

The Report of the Remuneration Committee includes an annual report detailing the remuneration of the Directors and a statement by the Chair of the Remuneration Committee. The Company will seek shareholders' approval on the contents of the Report of the Remuneration Committee on an annual basis. The vote is an advisory one.

Resolution 3: Dividend

Shareholders are asked to approve the final dividend payable for each ordinary share of 25p each held. The Board recommends the payment of a final dividend of 7.9p per ordinary share. This final dividend recommendation is consistent with our distribution policy announced to the market in October 2020, maintaining a full year dividend cover of approximately 2x underlying earnings.

Subject to approval by shareholders, the final dividend will be paid on 23 May 2023 to shareholders on the register at the close of business on 14 April 2023. The final dividend cannot be more than the amount the Directors recommend (which is 7.9p per ordinary share).

Resolutions 4 to 14: Re-election of Directors

In accordance with Provision 18 of the UK Corporate Governance Code 2018, all Directors, will submit themselves for annual re-election by shareholders.

Biographical details of each of the Directors in office as at the date of this Notice of AGM, who are seeking re-election, appear in Appendix 1 to this Notice of AGM on pages 11 to 15. It is the Board's view that this information illustrates why each Director's contribution is, and continues to be, important to the Company's long-term sustainable success. The Board believes that each Director standing for re-election brings considerable and wide-ranging skills and experience to the Board as a whole, and makes an effective and valuable contribution to the deliberations of the Board.

A formal performance evaluation of individual Directors was carried out during 2022, as detailed on page 99 of the 2022 Annual Report and Accounts. After this process the Board is satisfied that each individual proposed for re-election has continued to perform effectively and demonstrates commitment to their role.

The Board carries out a review of the independence of its Directors on an annual basis. In considering the independence of the independent Non-executive Directors proposed for election, the Board has taken into consideration the guidance provided by the UK Corporate Governance Code 2018. Accordingly, the Board considers each of the Non-executive Directors to be independent in accordance with Provision 10 of the UK Corporate Governance Code 2018.

Resolution 15: Re-appointment of auditors

The auditors of a company must be appointed or re-appointed at each general meeting at which the accounts are laid. Resolution 15 proposes, on the recommendation of the Audit Committee, the re-appointment of Deloitte LLP as the Company's auditors, until the conclusion of the next general meeting of the Company at which accounts are laid. Pages 110 to 111 of the 2022 Annual Report and Accounts describes how the Audit Committee assessed the effectiveness, independence, and performance of the external auditor when considering them for re-appointment and making a recommendation.

Resolution 16: Remuneration of auditors

This Resolution seeks shareholder consent for the Audit Committee of the Company to set the remuneration of the auditors.

Resolution 17: Political donations

Though there are no restrictions on political donations under Jersey law, the Company is seeking this authority as a matter of good governance and in line with best practice. It is the Company's policy not to make contributions to any political party, and at present, there is no intention to make donations to any political party or to incur any political expenditure. Shareholder approval is therefore being sought on a precautionary basis only. As for the prior year, during 2022 no political donations were made by the Company.

Resolution 18: Directors' authority to allot shares

The authority in paragraph (a)(i) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) which as at 29 March 2023, being the latest practicable date prior to publication of this Notice of AGM, is equivalent to a nominal value of £65,722,577.50.

The authority in paragraph (a)(ii) will allow the Directors to allot, including the shares referred to in paragraph (a)(i), further of the Company's shares in connection with a pre-emptive offer by way of a rights issue up to a nominal value of £131,445,155.00 which is equivalent to approximately two thirds (66.6%) of the total issued ordinary share capital of the Company as at 29 March 2023.

The Company currently holds no shares in treasury.

The authority being sought renews the authority given to Directors of TP ICAP Group plc at the 2022 AGM and is in line with the Share Capital Management Guidelines issued by the Investment Association ('IA'). The IA Guidelines state that, in addition to directors' requests for authorisation to allot new shares in an amount up to one-third of a company's existing issued ordinary share capital, excluding treasury shares (as proposed in paragraph (a) of Resolution 18), the IA will regard as routine any requests to authorise the allotment of shares in an amount up to a further one-third (as proposed in paragraph (b) of Resolution 18), provided that any shares allotted in an amount exceeding one-third are used solely for a rights issue and that the authority is only valid until the next AGM.

There are no present plans to allot new shares other than in connection with employee share and incentive plans. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise. If they do exercise this authority, the Directors intend to follow best practice as regards its use, as recommended by the IA. During 2022 no shares were purchased in the market under the authority granted at the 2022 AGM.

If the Resolution is passed, the authority will expire at the conclusion of the next AGM of the Company or, if earlier, at the close of business on 1 July 2024.

References in Resolution 18 to the nominal amount of rights to subscribe for or to convert any security into shares (including where such rights are referred to as equity securities) are to the nominal amount of shares that may be allotted pursuant to the rights.

Explanatory Notes to the Notice of Annual General Meeting continued

Resolutions 19 and 20: Disapplication of pre-emption rights

Resolution 19 deals with the authority of the Directors to allot new shares or other equity securities (pursuant to the authority given by Resolution 18), or sell treasury shares, for cash without the shares or other equity securities first being offered to shareholders in proportion to their existing holdings. The authority sought is in line with institutional shareholder guidance and the Pre-emption Group's Statement of Principles issued in 2015 (the '2015 Pre-Emption Group Principles'). At its 2023 AGM the Company is not seeking to utilise the revised disapplication authority available under the updated Pre-emption Group's Statement of Principles issued on 4 November 2022.

Such authority shall only be used in connection with a pre-emptive offer, or otherwise, up to an aggregate nominal amount of £9,858,386.50, being approximately 5% of the total issued ordinary share capital of the Company as at 29 March 2023.

The 2015 Pre-emption Group Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 5% of issued ordinary share capital, to be used only in connection with an acquisition or specified capital investment. The 2015 Pre-emption Group Principles defines 'specified capital investment' as meaning one or more specific capital investment-related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets that are the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group in accordance with the 2015 Pre-Emption Group Principles, Resolution 20 seeks to authorise the Directors to allot new shares and other equity securities pursuant to the authority given by Resolution 18, or sell treasury shares, for cash up to a further nominal amount of £9,858,386.50 being approximately 5% of the total issued ordinary share capital of the Company as at 29 March 2023, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. The authority granted by Resolution 20 would be in addition to the general authority to disapply pre-emption rights under Resolution 19. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £19,716,773.00 which represents approximately 10% of the issued share capital of the Company as at 29 March 2023 (being the latest practicable date prior to publication of this Notice).

If these Resolutions are passed, the authorities will expire at the end of the next AGM or at the close of business on 1 July 2024, whichever is the earlier. The Board considers the authorities in Resolutions 19 and 20 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer.

The Board intends to adhere to the provisions in the 2015 Pre-emption Group Principles and not to allot shares for cash on a non-pre-emptive basis in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period (other than in connection with an acquisition or specified capital investment) without prior consultation with shareholders.

Resolution 21: Purchase of own shares

The effect of Resolution 21 is to authorise the Company to purchase its own ordinary shares, up to a maximum of 78,867,093 ordinary shares, until the AGM in 2024 or at the close of business on 1 July 2024, whichever is the earlier. This represents 10% of the ordinary shares in issue as at 29 March 2023, being the latest practicable date prior to the publication of this Notice. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable.

Pursuant to the Companies (Jersey) Law 1991, the Company can hold any shares which are purchased as treasury shares and either sell them, cancel them, transfer them for the purposes of or under an employees' share scheme or hold the shares without cancelling, selling or transferring them. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future and will provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently re-sold or transferred out of treasury).

The Directors consider it desirable and in the Company's interests for shareholders to grant this authority. The Directors have no present intention to exercise this authority, and will only do so if and when conditions are favourable with a view to enhancing earnings per share of the ordinary share capital in issue after the purchase and accordingly they believe that the purchase is in the interests of the shareholders. As at 29 March 2023, being the latest practicable date prior to publication of this Notice, there were no outstanding warrants or options to subscribe for ordinary shares in the Company and the Company did not hold any treasury shares.

Resolution 22: Treasury Shares

Under Jersey law, a company requires shareholder approval to hold shares in treasury.

Resolution 23: Notice of general meetings

Under the Articles the minimum notice period permitted for general meetings of the Company is 21 clear days. However, shareholders can approve a shorter notice period for general meetings that are not AGMs which cannot be less than 14 clear days. AGMs will be held on at least 21 clear days' notice. The shorter notice period authorised by this resolution, if passed, would not be used as a matter of routine for such meetings, but only in circumstances where the Directors consider that the flexibility is merited by the business of the meeting and is to the advantage of shareholders as a whole. Shareholder approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Further Notes

Proxy appointment

1. A shareholder is entitled to appoint another person as their proxy to exercise all or any of their rights to attend, speak and vote at the AGM. A proxy need not be a shareholder of the Company.
2. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Shareholders may appoint the Chair of the meeting as their proxy, as mentioned in the Chair's letter on pages 1 to 2. Failure to specify the number of shares each proxy appointment relates to or specifying a number, which when taken together with the numbers of shares set out in the other proxy appointments, is in excess of the number of shares held by the shareholder may result in the proxy appointment being invalid. A proxy may only be appointed in accordance with the procedures set out in this note 2 and notes 3, 4, 17, 18 and 21 below. The appointment of a proxy will not preclude a shareholder from attending and voting at the AGM (subject to any physical attendance restrictions in place at the time of the meeting). You must inform the Company's Registrar in writing of any termination of the authority of a proxy.
3. A shareholder may appoint a proxy or proxies electronically by visiting www.signalshares.com. Shareholders will need to enter their Investor Code, found on their share certificate or dividend confirmation, and agree to certain terms and conditions. For an electronic proxy appointment to be valid, the appointment must be received by Link Group no later than 2.15pm (BST) on Monday 15 May 2023 (or, if the AGM is adjourned, no later than 48 hours before the time of any adjourned AGM excluding non-business days).
4. Alternatively, a paper Form of Proxy may be obtained by contacting the Company's Registrar, Link Group, by email at shareholderenquiries@linkgroup.co.uk or by calling 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom are charged at the applicable international rate. Lines are open 9.00am–5.30pm Monday to Friday excluding bank holidays in England and Wales. You may also contact the Registrar by post (see note 16 below). To be valid a Form of Proxy must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrar, no later than 2.15pm (BST) on Monday 15 May 2023 (or, if the AGM is adjourned, no later than 48 hours before the time of any adjourned AGM excluding non-business days) (see note 3 above).
5. In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names appear in the register of members in respect of the share.
6. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company. Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights. Nominated persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters related to their investments in the Company.
7. Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares in the Company on 29 March 2023 which is the latest practicable date before the publication of this document, is 788,670,932 carrying one vote each on a poll. No shares are held in Treasury, therefore, the total number of votes exercisable as at 29 March 2023 is 788,670,932.
8. Pursuant to Article 40 of the Companies (Uncertificated Securities) (Jersey) Order 1999, entitlement to attend and vote at the AGM, and the number of votes which may be cast at the AGM, will be determined by reference to the Company's register of members as at close of business on Monday 15 May 2023 or, if the AGM is adjourned, close of business on the day which is two days before the adjourned AGM excluding non-business days. In each case, changes to the register of members after such time will be disregarded.
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
10. Shareholders should note that, members meeting the threshold requirements set out in article 131 of the Articles have the right to require the Company to publish on a website a statement setting out any matter relating to (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM for the financial year ended 31 December 2022; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year ended 31 December 2022 ceasing to hold office.
11. Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

Explanatory Notes to the Notice of Annual General Meeting continued

12. A copy of this Notice and other information required by the Companies (Jersey) Law 1991 or the Articles can be found at www.tpicap.com.
13. Each of the Resolutions to be put to the AGM will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. Members and proxies will be asked to cast their votes during the meeting, and these will be collated at the end of the AGM. The results of the poll will be published on the Company's website and notified to the London Stock Exchange once the votes have been counted and verified.
14. Members may not use any electronic address provided in either this Notice of AGM or any related documents to communicate with the Company for any purposes other than those expressly stated.
15. Copies of the Executive Directors' service contracts and letters of appointment of the Non-executive Directors will be available for inspection during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) by contacting the company secretariat at companysecretariat@tpicap.com up to and including the date of the AGM and from 15 minutes before the AGM until it ends.
16. Except as provided above, shareholders who have general queries about the AGM should either call the Registrar's helpline on 0371 664 0300, write to the Registrar, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL, or e-mail the Registrar at shareholderenquiries@linkgroup.co.uk. No other methods of communication will be accepted.

For CREST members only:

17. CREST members who wish to appoint a proxy or proxies for the AGM (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available by logging in at www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
18. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID:RA10) by no later than 2.15pm (BST) on Monday 15 May 2023 (or, if the AGM is adjourned, no later than 48 hours before the time of any adjourned AGM excluding non-business days) (see note 3 on page 9). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
19. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
20. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.
